- **The Confident Facilitator: Essential Skills for Guiding Groups**, Vancouver, March 23-25, 2011, 8:30 am to 5:00 pm, Register Securely Online-Confident. This three-day experiential program will give you a practical foundation in facilitation theory and practice to achieve enhanced performance and more positive and productive group results from knowing how to facilitate Great Meetings = Great Outcomes + Great Interactions through Great Process. *"A superb introduction to the art and science of facilitation - suitable for those new to the practice, and also to those of us with years of experience who want to enrich their understanding and expand their toolkit. Truly worthwhile!"* – LB, 2009
- **The Engaging Facilitator: Conversation Methods for Collaboration and Wise Action**, Vancouver, June 1-3, 2011. Register Securely Online-Engaging. This learning intensive focuses on how to facilitate conversational methods in communities and organizations for more cooperative and sustainable results. Theory and practice are combined around proven participatory methods (e.g., World Café, Open Space, Dialogue, Deliberative Dialogue, Appreciative Inquiry) for breakthrough thinking, decision-making and collaborative action. *"I would absolutely recommend this course! It moved me well beyond the basic facilitation knowledge, skills and experience I previously had. I now have real, practical tools, knowledge and a terrific reference guide to successfully advance myself to the next level of facilitation."* – MV, 2010
- **The Inspiring Facilitator: Achieving Mastery in Engaging Organizations and Communities**, Vancouver, August 24-26, 2011. Register Securely Online-Inspired. With learned and experienced colleagues, you will co-create a learning agenda to explore and share the heights and depths of facilitation engagements. Using different theoretical frameworks as useful constructs, together you will dialogue, analyze, experiment and practice how to transform (and as needed, rescue) design and facilitation situations, nurture the emergence of group creativity and wisdom, while yourself remaining centered, authentic and present. *"A very confirming course for the experienced practitioner, and a fabulous opportunity to connect with other professionals in the field and explore together, the deeper questions of our practices in a supportive learning space."* – PH, 2010
- **The Virtual Facilitator: Leading Interactive TeleCalls and Webinars**, four 1.5 hour Tele-Classes, April 4, 6, 11 and 13. Register Securely Online -Virtual (choose 50% Special as applicable). Explore the challenges of, and possibilities for, meeting in virtual space, and learn how to design and facilitate great virtual meetings through effective design, engaging process, and right use of synchronous and asynchronous virtual tools and technology. *"Outstanding experience – well organized, well executed, and great value! We learned how to plan and manage for successful virtual interactions with groups from under 10 to over 100; sampled virtual tools and techniques; and received a virtual library of support material. Throughout the sessions, you modeled the excellent facilitation and the teamwork that makes virtual interactions engaging."* – MH, 2010
